1. Do you believe that the City and County of Denver must protect its perpetual open space conservation easement that covers the Park Hill Golf Course land and for which Denver taxpayers paid the Clayton Trust \$2 million in 1997?

Yes

No

2. If the answer to Question No. 1 is "no", please explain your position regarding protection of this perpetual open space conservation easement.

3. The 155-acre Park Hill Golf Course land is the largest remaining undeveloped tract that potentially could be available to fill the park shortages in Denver. Would you support the potential acquisition of the Park Hill Golf Course land by the City and County of Denver for designation as a city park?

- Yes
- No

4. If the answer to Question No. 3 is "no", please explain your position regarding a potential acquisition by the City and County of Denver of the Park Hill Golf Course land for designation as a city park.

5. What vision do you have for the Park Hill Golf Course land?

I think its important we keep the open space we have in Denver, as we are increasingly losing more land to development. I would love to see the golf course turned into a park, with native plants and new trees. I would love the community to have input as to what kind of amenities they would like in a park as well.
